It would be very helpful to know more about what they are interested in or expecting as far as Pavillion is concerned so that Greg Oberley and I can be prepared. And it sounds like Martin should sit in for at least the beginning of the Pavillion discussion, yes?

Hi Greg -
Thanks for the update! I'll also see if the Tribal attorney has any information on what they might want to discuss.
Kimi

Kimi,

I have reserved the Bison Room on the 2nd floor.

I will find out from Susan and Dean on what the "Northern Arapaho Environmental Initiatives" are

The Northern Arapaho Business Council is requesting a meeting with the EPA on Thursday, February 7, 2013, hopefully to begin at 9:00 a.m. for the better part of the morning and could quite possibly run into the early afternoon. The topics for discussion are generally 1) Northern Arapaho environmental initiatives and 2) Pavillion groundwater. I appreciate your reply and your earliest convenience.

Thank you.
